**The Church Economist**

is a set of tools for the working pastor or church officer — a clearing house of church practice. It takes first the church as an organization and shows how the wisest leaders are handling it. It deals next with the church as a plant, and explains what is excellent in site, construction, interior arrangement and fittings, and why. It concerns itself also very largely with the church as a force, showing the spiritual tactics of generals in the church militant, and providing many an effective weapon in the strife.

The Pulpit, the Pews, the Choir, the Study, the Chapel, the Sunday-school, the Boards, the Societies, the Employes, the outside work — all come in for their share of treatment.

For the subscription price of a dollar a year the reader has focused on his library table the experience of the wisest and best workers in the whole Christian faith. No sectarian lines are known. Wherever there is a good stroke of work done for the Master, we try to know it and speak of it for the inspiration and help of all.

This monthly is a great help to the pastor or to the official member who desires to keep up with the latest in church technique. The subscription price is one dollar. We will furnish it to our subscribers for fifty cents in addition to the subscription to ZION'S HERALD. Address this office, 36 Bromfield St., Boston.

**MAKE MONEY FOR YOUR CHURCH**

# UPRIGHT CHEST

We should sell a great many of these Upright Chests if it was generally known that they existed. It is a piece which we have introduced this season, and as yet they have not been advertised.

It is really a compromise between a bureau and a chest. It has a chest top and bureau base; the lid lifts, while the drawers beneath come forth. The base has a bombe front. There is carving on the upper pillar and on the side panels; there are massive double-claw feet. Some figures of size will be instructive: The height is 32 inches, and the length 4 feet; the depth is 19 inches.

The construction is unusual, as is evidenced by the lock of the lid and the countersunk handles on the drawers. We offer these Upright Chests in both weathered oak and mahogany.

**DEAR MADAM: Please Read My Free Offer**

**Words of Wisdom to Sufferers from a Lady of Notre Dame, Indiana.**

I send free of charge to every sufferer this great **Woman Remedy**, with full instructions, description of my past sufferings and how I permanently cured myself.

**You Can Cure Yourself at Home Without the Aid of a Physician.**

It costs nothing to try this remedy once, and if you desire to continue its use, it will cost you only **twelve cents a week.** It does not interfere with your work or occupation. **I have nothing to sell.** Tell other sufferers of it; that is all I ask. It cures everybody, young or old.

If you feel bearing down pains as from approaching danger, pain in the back and bowels, creeping feeling in the spine, a desire to cry, hot flashes and faintness, or if you are suffering from any so-called female complaint, then write to **Mrs. M. Summers**, Notre Dame, Ind., for her **free treatment** and full instructions. Like myself thousands have been cured by it. I send it in a plain envelope.

**Mothers and Daughters** will learn of a simple family remedy, which quickly and thoroughly cures female complaints of every nature. It saves **worry** and **expense** and the **unpleasantness** of having to reveal your condition to others. Vigor, health and happiness result from its use.

**Wherever you live** I can refer you to well-known ladies in your neigaborhood, who **know** and will testify that this family remedy cures all troubles peculiar to their sex, strengthens the whole system and makes **healthy** and **strong women.** Write to-day, as this offer may not be made again.

## Christian Work in a New England College

MARY E. KING.

PERHAPS few people outside of those connected with the college realize how much Christian work is done by the Mount Holyoke Young Women's Christian Association, both among the college girls and among the factory girls at Holyoke. The work is conducted in such a quiet way that the large number outside hardly realize its extent. It is the purpose of this article to show in a brief way what the girls are doing to enlarge their interests.

The Y. W. C. A. work may be divided into the Extension, Student Volunteer, and the General departments. The Extension branch has mainly to do with the Holyoke factory girls. College students go down to Holyoke twice a week to meet these girls. Several clubs have been formed during the past few years. The Sunshine Club, composed of girls about eighteen years old, is chiefly for social purposes; the Golden Rule Club, composed of younger girls, makes scrap-books for the children of the Colored Orphanage and picks flowers for the Old Ladies' Home. There are Bible classes in connection with these clubs and also social evenings. A new club — the Nonotuck — has just been started for girls of fifteen or sixteen years of age. They are to have a Bible class, and will sew for the Orphanage or for others who need clothing. A club for children of nine years and under has also been started. In connection with this work is the assistance given by the college girls to Grace Church in Holyoke, where, on Sunday afternoons, the girls help in the Junior Christian Endeavor meetings. A physical culture class, in connection with the Young Woman's Club of Holyoke, is under Y. W. C. A. supervision, the girls acting as instructors. In South Hadley services are held at the Poor Farm every Sunday, and the girls call on the old and sick people in the town, sometimes carrying them flowers or reading and singing to them.

The Student Volunteer Band is composed of girls who expect to become missionaries. Alice Van Doren, leader of the band for 1903, has sailed for India this fall, where she is to work at Ramahpetee. At present Miss Hoyt is the representative of the college in foreign fields. The Volunteer meetings are held on Sunday afternoons. Every two weeks these meetings are thrown open to members of the college and their friends who may wish to attend.

The first general missionary conference of all the New England colleges was held at Northampton, this fall. Mount Holyoke sent a delegation of one hundred girls. Northfield, Mount Hermon, Amherst, Williams, Smith, Yale, Wesleyan and the

Springfield Training School sent delegates. The speakers were President Woolley, of Mount Holyoke, Harlan Beach, Bishop Thoburn of India, and Robert Speer.

The General department of the college Y. M. C. A., which has to do with Christian work among the college girls, has charge of Bible classes conducted by students and members of the faculty. Three hundred and fifty girls are taking Bible and mission courses in twenty-eight classes. The Association takes charge of mid-week prayer-meeting alternate weeks, and of the Sunday evening meetings in the same way. Many fine speakers are secured; among the number for this year is Mr. Mott.

A reception is given to the whole college by the Y. W. C. A. and the Students' League on the opening Saturday of the college year. President Woolley receives at this time, thus giving all new students a chance to meet her as well as the college girls. The reception committee is at South Hadley several days before college opens to take charge of the freshmen who are taking entrance examinations, and to meet new students who come on every train.

The Practical Service committee has charge of lost and found articles, the exchange of books, furnishing posters, and the employment of students who wish to aid themselves in paying their way through college.

The tenth anniversary of the Y. W. C. A. occurred Nov. 22, Mrs. Effie Price Gladding delivering the address. At present the total membership of the Association is about 600.

# THE CONFERENCES

## NEW ENGLAND CONFERENCE

*Boston Preachers' Meeting.* — The address on Monday, Jan. 4, will be made by Rev. P. S. Henson, D. D., pastor of Tremont Temple Church, Boston.

**Boston District**

*Worcester.* — It is settled that all the Methodist Episcopal Churches in Worcester are soon to be out of debt. The movement began in Grace Church, under the leadership of Dr. Brady. Trinity followed suit, and Webster Square and Coral Street are now in line. Grace was most deeply involved. She had labored under a debt of $50,000 for many years. It was reduced to $25,000, and now it is more than all subscribed and being paid so rapidly that the mortgage is to be burned before next Conference. Laurel Street and Park Avenue are free, and about $13,000 will deliver Webster Square and Coral St. — about an equal amount on each. The Worcester City Missionary Society is interested in this, and Mr. A. B. F. Kinney, the president, and Dr. Brady say it will begin to lift them out next year. This will make $130,000 that Worcester Methodists have paid within a very short period on their property. The influence is being felt in increased congregations and healthy growth of the churches.

*Whitinsville.* — An Epworth League Reading Circle, a "Sunshine Circle" of girls, a weekly class-meeting at Linwood, a regular cottage prayer-meeting every two weeks at the "West End," a meeting for Armenians every Wednesday night, are suggestive of spiritual life and activity. The World's Temperance Sunday was duly observed, the children of the Sunday-school were pledged, "Conquest" flags displayed, and "Conquest" buttons distributed. The pastor, Rev. Wesley Wiggin, is everywhere in evidence and greatly beloved. The new parsonage — all paid for — is a delight to everybody, particularly to the pastor's family.

*Southbridge.* — Dr. A. B. Kendig has captured the people by his strong preaching and loving personality. Much disappointed at the loss of their pastor, Rev. W. H. Meredith, hope has revived. Large congregations wait on Dr. Kendig's ministry, including the children, to whom he preaches a brief object-sermon each Sunday morning. For them he has organized a "Church Army." A deep spiritual interest is manifest. It is hoped that many will be saved.

**Cambridge District**

*St. Paul's, Lowell.* — The Woman's Foreign and Home Missionary Societies of St. Paul's Church are enjoying a period of great prosperity. During the past year there have been monthly meetings, at which speakers have been present from abroad. The attendance has been large and the interest great. Recently these societies held a Christmas sale at the residence of the president, Mrs. Charles H. Stowell. There were eight tables in the various rooms of this spacious and elegant home. Neighbors, friends and church people patronized the sale in good numbers. As a result every one had a pleasant social time, and the sum of nearly $60 was made over and above all expenses.

*Waltham, Emmanu-El.* — At the fourth quarterly conference of this church, held Dec. 11, the pastor, Rev. James W. Higgins, was unanimously invited to return for the fifth year.

## EAST MAINE CONFERENCE

**Rockland District**

*East Pittston.* — Rev. L. L. Harris and wife are bereaved in the death, from diphtheria, of their little grandson, Gerald Robert Nye, aged two years, son of Paul T. and Edith Harris Nye, of Westfield, Mass. Little Gerald was a remarkably bright and winsome child and was beloved by all who knew him. His death is a keen blow to his parents and grandparents, and greatly regretted by a wide circle of friends.

## N. E. SOUTHERN CONFERENCE

**Norwich District**

*East Thompson.* — Rev. Fay R. Hunt has been appointed by the presiding elder as the supply for the balance of the Conference year.

*Personal.* — "The Call" of Bishop Mallalieu for special prayer to God in the closing up of the old year will find a response in many hearts, and will result in blessing "according to your faith." SCRIPTUM.
